

2016-17 Budget Priorities

- 1) Maintain staffing plans, create consistent discipline programs, and utilize professional development opportunities that build morale, **retain** and attract teachers, staff and students to educate and inspire everyone to achieve excellence.
- 2) Prioritize funding based on **collaborative** needs assessments to facilitate academic and overall district excellence.
- 3) Improve communication efforts that positively impact parent and community awareness and promote involvement.
- 4) Provide optimal funding for career and college readiness programs and initiatives.
- 5) Provide optimal funding for up to date facilities and technology needs.
